### About Temasek Foundation Connects

SRE-YMAC 2017 is supported by Temasek Foundation Connects, which is a Singapore-based non-profit philanthropic organisation that funds and supports programmes, which seek to build bridges and partnerships, and promote dialogue and mutual understanding across international communities and markets.

Established in 2016, the foundation's programmes promote dialogue and advance collective knowledge and mutual understanding in key areas that are important to Singapore and on a global front. These include various issues such as security, geopolitics and economic imperatives of emerging markets, as well as best practices in areas such as corporate governance and stewardship. The foundation provides oversight to the S Rajaratnam Endowment and the Hon Sui Sen Endowment.
