

## **The 2+2 Dual Degree Program Agreement**

**Between**

**RAJAMANGALA UNIVERSITY OF TECHNOLOGY PHRA  
NAKHON (RMUTP)**

**and**

**LUNGHWA UNIVERSITY OF SCIENCE AND TECHNOLOGY**

### **Purposes:**

- To meet the needs of students from Taiwan wishing to study overseas
- To reduce the cost for students
- To provide bilingual professionals to Taiwan for the development of a modern economy, science, technology and culture

**Rajamangala University of Technology Phra Nakhon (Hereinafter referred to as "RMUTP") and Lunghwa University of Science and Technology agree to the following definitions of the 2+2 program:**

- The students will spend their freshmen and sophomore years at RMUTP (2 years)
- The students will complete their degrees at Lunghwa University of Science and Technology (another 2 years) and will receive a dual degree from both universities.

**The two parties jointly propose the following intended agreement of cooperation for the 2+2 program.**

### **Obligations of RMUTP**

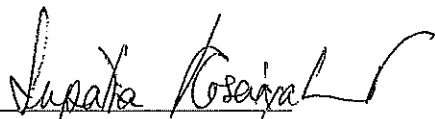

1. Both sides should offer course descriptions and complete the course mapping.
2. When appropriate RMUTP shall assist Lunghwa University of Science and Technology in screening students for the 2+2 program. However, Lunghwa University of Science and Technology will have the final decisions about student admission and retention for the final two years of the program.
3. RMUTP shall provide a complete plan of curriculum and course descriptions to Lunghwa University of Science and Technology for evaluation before the students are admitted into the programs.
4. RMUTP shall provide students with lodging and board at the university and with access to all facilities and services they require as students during their stay in Thailand. Students will be responsible for payment of regular fees for these accommodations.
5. RMUTP shall work with Lunghwa University of Science and Technology to assist the students to send the payment (tuition, student fees) directly to Lunghwa

University of Science and Technology.

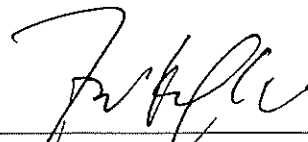

6. RMUTP will ensure that all students meet the English language requirement for admission (i.e. ToEIC, TOEFL score).
7. RMUTP shall work with Lunghwa University of Science and Technology officials to design a complete curriculum plan for the proposed degrees sought by the students.
8. RMUTP shall issue each student a bachelor's degree when degree requirements are completed after four years of this program. Students will follow regular degree requirements for graduation.
9. RMUTP shall provide Lunghwa University of Science and Technology with a transcript of the students' academic work at RMUTP

**Obligations of the Lunghwa University of Science and Technology**

1. Once students are accepted at Lunghwa university, Lunghwa University of Science and Technology shall issue each student a letter of admission and necessary documents to apply for a visa to Taiwan.
2. Lunghwa University of Science and Technology will provide official transcripts for each student from RMUTP in the program.
3. Lunghwa University of Science and Technology shall provide RMUTP with an official English translation transcript of the students' academic work at Lunghwa University of Science and Technology.
4. Lunghwa University of Science and Technology shall agree to provide the necessary courses for the students to complete in their final two years of the program.
5. Lunghwa University of Science and Technology agrees not to make substantial changes in any of the courses without prior consultation and approval from RMUTP.
