

## LETTER OF INTENT

Rajamangala University of Technology Phra Nakhon (RMUTP), Bangkok (Thailand), represented by its President Assoc. Prof. Duangsuda Taechotirote, and the Hochschule Hof - Hof University of Applied Sciences, Hof (Germany), represented by its President Prof. Dr. Dr. h.c. Jürgen Lehman, manifest their interest in jointly contributing to the fulfillment of their responsibilities and commitments in research, teaching, encouragement, promotion and extension of knowledge of engineering, and work together in an education project that allows students a double degree in Bachelor of Textile Engineering/ Innovative Textiles (Hof University) and Bachelor of Technology (Textile Chemistry Technology) (RMUTP).

Under this, both parties agree to establish an academic cooperation program that will result in a General Agreement to be signed in 2013, in which the main aim is the strengthening of the profiles of the textile engineering students and other disciplines seeking to develop in this field.

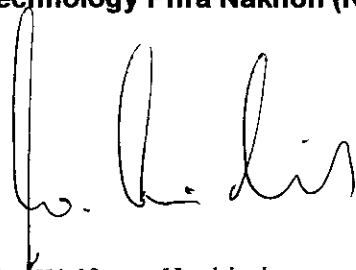

Read this letter and the parties aware of its content, it is signed in Bangkok, Thailand, and in Hof, Germany.

Bangkok, 

Asst.Prof. Supatra Kosaiyakanont
